PROFILE

E-commerce operations specialist with 8+ years across digital projects, platforms and process management. Hands-on experience managing multi-brand Shopify environments, implementing Odoo ERP, and driving organic visibility through SEO/GEO strategies.

Hybrid ops/tech profile equally at ease with platform configuration, cross-team coordination and client delivery. Multilingual (FR/EN/DE/NL), remote-ready, with genuine sensitivity to the beauty, cosmetics and lifestyle sector.

► FREELANCE — NEXXIA STUDIO
Alongside my employee role, I operate Nexxia as an independent digital studio — specialising in Shopify multi-brand management and SEO/GEO optimisation for cosmetics and beauty brands (HElo Cosmetics, Gemology, Origine, Ouate).

EXPERIENCE

Operations Specialist & Website Operations Lead
Jul 2024 – Present · Liège, Belgium
Trustup — B2C Construction Marketplace

OPS · WEBOPS · SEO · MONDAY.COM · PROCESS IMPROVEMENT

- Post-production website modifications on Belgium's leading B2C construction marketplace (building pros → homeowners)
- Process digitalization: contract workflows, client intake via AI (Lovable), ticketing via Monday.com
- Cross-functional coordination between Marketing, Tech and Support teams

E-Commerce & Digital Operations Manager
Mar 2022 – Present · Full Remote
Nexxia Studio — Freelance

SHOPIFY · ODOO ERP · SEO/GEO · WEBFLOW · MULTI-BRAND

- 12+ Shopify stores: HElo Cosmetics (distributor BE/LU), Gemology Cosmetics Paris, Origine L'art cosmétique, Ouate Le Touquet-Paris-Plage
- 4 Odoo ERP deployments from scratch: CRM, inventory, invoicing, user training
- SEO/GEO strategy and Google Search Console management across all brands

QA Engineer & DApp Product Tester
Apr 2023 – Jun 2024 · Full Remote
zkSync — Freelance · Ethereum L2

- Functional testing on DeFi platforms (zkSync Era); bug documentation, UX feedback reports

JS Developer & Digital Project Coordinator
2022 – 2023
TechnoBel — Ciney, Belgium

- Full-stack web development (JS, React, Angular, Node); functional specs and UX optimization

Air Traffic Controller & Dispatcher
Aug 2016 – Mar 2020
OCTA+ · Skeyes · Belgian Air Forces

- Real-time aircraft coordination — zero error tolerance, multilingual (FR/EN/DE/NL), high-pressure decision-making transferable to SLA and ops management
